

An Announcement Concerning A Perfecting Training on Shepherding Among the Northern California Churches

“O Jehovah, revive Your work in the midst of the years.”(Hab. 3:2a) Among God’s elect there has always been an aspiration to be revived. The Lord’s servant hopes “that there will be a genuine revival among us by our receiving this burden of shepherding. If all the churches receive this teaching to participate in Christ’s wonderful shepherding, there will be a big revival in the recovery.”

Many saints have risen up as a result of consecration and aspire to build up a vital living and to practice the organic shepherding. This can only be achieved by much exercise and perfecting. After much fellowship and consideration, the churches in northern California have decided to have a perfecting training on shepherding from mid-October to December. This training will usher the consecrated saints into the practice of shepherding by:

1. Building up a living of a vital person—a habit of a healthy spiritual life that brings in the corporate living of the God-man.
2. Practically being built up with some other vital persons through much and thorough prayer with vital companions.
3. Practicing to shepherd new ones weekly. The goal is to bear one remaining fruit within one year.

In this training with eight sessions, we will encourage one another, shepherding one another in order that everyone can achieve the above goal. Within these eight weeks, every registered trainee will have their own list of new ones in order to put into practice what they have learned.

We believe this leading is from the Lord. We look upon His grace and strengthening to make us overcomers in this age, to be vital persons, wise virgins, and faithful slaves for His coming back. May we lay hold of this precious opportunity to dive into the flow of life, pay the price to be perfected, build up a healthy spiritual life, and bring in the new revival in the Body of Christ.
